Dear BIRTH MOTHER

My family vacations in New England every summer

I AM TRULY INSPIRED BY YOUR LOVE FOR YOUR BABY, your strength, and your courage as you explore what is best for you and your child. I hope that my profile helps you get to know me a little bit and envision the loving mom I would be to your child.

From the time I was a little girl, I dreamed of adopting a child – I just always knew that was the way I was meant to become a mom and create a family. I promise you that I would surround your child with unconditional love, doing everything I could to provide the best life possible for him or her.

ONLY YOU WILL KNOW WHEN YOU FIND THE RIGHT PERSON TO ADOPT YOUR CHILD, AND I HAVE ENORMOUS RESPECT FOR HOW HARD THIS DECISION MUST BE. If I am the right one for you, I look forward to being on this journey together.

MY NAME IS
HAILEY
THANK YOU

SO MUCH FOR TAKING
the time to learn a little about me.

A Glimpse INTO MY LIFE

I've lived in the same small town in the Northeast for a number of years, and I'm fortunate to have a large and diverse group of friends in the community. My mom and my brother both live nearby – we love to gather as a family for summer cookouts, birthday and holiday celebrations, and simple nights in watching Netflix or playing games.

I love nature and being active, and my days usually begin with a run, a yoga or dance class, or a walk with my dog. I've always enjoyed mornings, so I often get up early to catch up on the news with a cup of coffee.

My mom and dad taught me to live fully, love deeply, and dedicate myself to making this world a better place. I think it's important to work hard, and equally important to have fun and live each day to the fullest. For me, no day is complete without friends and family in it, whether that means a phone call just to say hi, a funny "this made me think of you" text, a quick bite to eat out, or a casual get-together at a friend's house.

5 PLACES/ ACTIVITIES IN MY Community I REALLY LOVE & WHY

- ➔ **So many parks and outdoor spaces** – can't wait to explore them with my child
- ➔ **The library**, which has an incredible children's section and visits from authors near and far
- ➔ **The coffee shop**, where I always run into good friends. I've lived in the same town for many years, so I'm lucky to have a huge circle of friends nearby all the time.
- ➔ **The community farm**, where you can pick flowers, apples, and strawberries; go for a hayride in the pumpkin patch; and feed the goats and horses.
- ➔ **The local theater**, which offers musicals, kids' shows, acrobats, great musicians, amazing dancers and more. There's always something interesting going on.

A little
handstand fun

- **Traveling is important to me** – I love exploring cities and small towns, and visiting beaches, mountains, and everything in between. England, Bermuda, Colorado, and Maine are some of my favorite places to visit.
- **I've always cared about health and wellbeing**, and I work out every day. I especially love running, hiking, and yoga, whether alone or with friends. Being active helps me feel centered and happy.
- I'm definitely not a foodie, but **I enjoy cooking simple, healthy meals**. Roasted chicken, salmon, and pretty much any green vegetable are my some of my favorites.
- **I think it's important not to take myself – or life – too seriously**. When my family gets together, we love to challenge each other to games of Jenga, Apples to Apples, or some random game that my nephews made up.
- **I love music** and nearly always have Pandora or Spotify streaming. There's nothing quite like a long drive with great music playing and the windows rolled down.

With Henry, Puma
and Cougar

HENRY IS MY 1.5-YEAR-OLD RESCUE DOG – he's an energetic, loyal, and loving Lab mix. He loves attention and my friends and coworkers adore him. **COUGAR AND PUMA ARE BROTHER AND SISTER CATS** – I rescued them from a local shelter about 7 years ago.

My CAREER

Education has always been incredibly important to me and I love being able to help children learn, grow, and succeed. I started my career as a seventh- and eighth-grade science teacher—my students were amazing and I learned so much from them. I am now one of the senior leaders of a large organization focused on college education. My colleagues are some of the smartest and most interesting people I've ever met, and I feel so lucky to have a job that allows me to make a positive difference in the world.

My organization is family-friendly and supportive of families of all shapes and sizes—we understand and value the importance of work-life balance! *Many of my coworkers have young children who love to play together, and the entire community will welcome my child with open and loving arms.*

Friends AND FAMILY

My brother, my nephews, and my mom

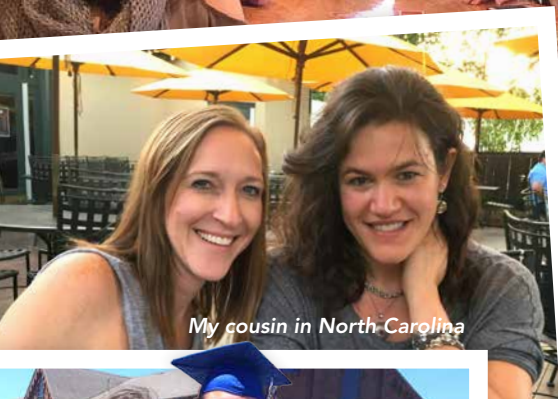

MY MOM IS MY BEST FRIEND! I'm so glad she lives nearby. We talk on the phone every day, get together every week, and enjoy family vacations together every summer. *She is an amazing woman and role model, and a wonderful grandmother to my brother's kids. I know she'll be similarly incredible with my child.* She's up for anything and super fun – my friends completely adore her!

Game time!

My big brother lives close too, and we all enjoy spending time with one another. Fun fact – my brother and his wife rescued my dog Henry's sister (her name is Daisy), so when we all hang out it's a family reunion for everyone, even the pups!

My cousin in North Carolina

I am grateful to my brother and his wife for giving me three awesome nephews and an amazing niece. I'm so proud of the unique and amazing people they have become, and happy to have lived near them as they've grown up.

I HAVE MANY FRIENDS WHO LIVE RIGHT IN MY TOWN, and it's great being an "honorary aunt" to their kids. One of the things I love the most about my community is its incredible diversity and inclusivity -- everyone is welcomed, accepted, respected, valued, and included.

FAVORITE
Family
TRADITIONS

- ➔ **SUMMERTIME FAMILY MEALS** outside with great food, music, and dogs and kids romping around
- ➔ **FAMILY VACATIONS** to beaches in New England
- ➔ **WE ALWAYS GET TOGETHER ON CHRISTMAS DAY** to open gifts and play games

➔ **WE LOVE TO PLAY GAMES AND ACT SILLY.** Apples to Apples, Bananagrams, and Scattergories are some of our favorites.

HOME Sweet HOME

My home has a large, fenced-in back yard where I love to play with Henry, enjoy meals on the patio, read a great book, and hang out with friends and family. The family room has sliding doors that lead right to the deck and yard, so we're constantly enjoying fresh air and sunshine.

There's a wonderful bedroom waiting for my child to arrive, just across the hall from my own.

I live within walking distance of the public library, shops and restaurants, parks and playgrounds, the local pool, and the elementary school. Many of my close friends live just minutes away, and the school system is among the best in the nation.
